Compliance and Enforcement Annual Results - FY2000

EPA took a record cumulative total of 6,027 civil judicial, criminal and administrative enforcement actions, requiring polluters to pay \$2.6 billion in injunctive relief for environmental cleanup, superfund site remediation, pollution control cleanup, improved monitoring and additional environmental improvements. Polluters were also required to pay \$224.6 million in civil and criminal penalties. The combined level of civil criminal penalties assessed in FY2000 was the third largest total in EPA history.
